

**Loewenstein.**

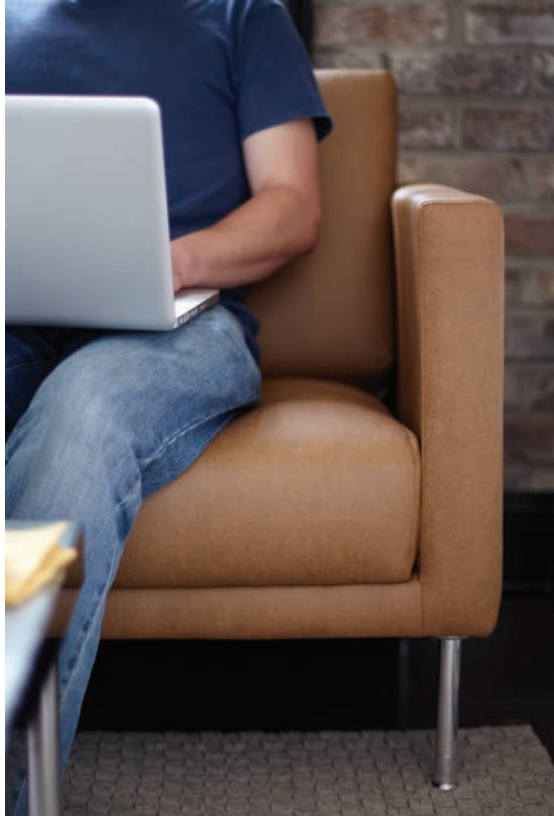

**A unique refresh of  
the brand you've  
always loved.  
Welcome to the  
new Loewenstein.**

In 1966 Hank Loewenstein founded our company, with a philosophy built on the foundation of bringing world class furniture to the North American contract market. For years we dominated the market with our unique and progressive designs, and now we are reinvigorating that philosophy for the modern day.

**Loewenstein for your lifestyle.**

The lines between home and office, private spaces and public areas, meeting rooms and social gathering areas are all fading away, creating a unique culture we have never experienced.

Loewenstein is here to support this new culture with products designed to crossover into multiple categories, while still holding on to our core values of great designs that inspire you.

# Loewenstein.
